

Announcement: Second Webinar in the ICMI AMOR Series

Dear colleagues,

We are happy to announce that the **second webinar** in the series devoted to the ICMI Awardees Multimedia Online Resources project (**ICMI AMOR**) will take place on **Monday April 27th, 2026**.

There will be a first session at **10AM UTC in English** and second session at **4PM UTC in Portuguese**. Check the time in your respective countries. (UTC : Coordinated Universal Time <https://time.now/timezones/utc/>)

This webinar will be devoted to:

- **Ubiratan D'Ambrosio unit** (Felix Klein Award 2005) made by Milton Rosa and Daniel Clark Orey <https://www.mathunion.org/icmi/awards/amor/ubiratan-dambrosio-unit>
- and
- **Terezinha Nunes unit** (Hans Freudenthal Award 2017) made by herself <https://www.mathunion.org/icmi/terezinha-nunes-unit>

with presentations of the authors of the units and also some testimonies of people who used these units in different contexts.

In order to be informed and receive the zoom link for each webinar session, you must subscribe to ICMI Newsletter at : <https://www.mathunion.org/icmi/organization/icmi-newsletter>. Please note that when connecting to a webinar session you agree that the session is recorded and that the recording is posted on the ICMI Website and the ICMI AMOR YouTube Chanel. You can keep your video and microphone closed during the whole session.

We remind you that a video of the first webinar including the presentations and the two sessions of open discussion is available on the ICMI AMOR Website <https://www.mathunion.org/icmi/projects/icmi-amor> or directly on the YouTube Channel : <https://www.youtube.com/watch?v=aNmF5QlralE&t=1644s>

Participants are encouraged to visit the ICMI AMOR website or/and our YouTube channel prior to the webinar.

On behalf of the ICMI AMOR Advisory Board,

Jean-Luc Dorier, ICMI Secretary General.
